These financial statements have been prepared in accordance with the Charities (Accounts and Reports) Regulations October 2000, the Statement of Recommended Practice "Accounting and Reporting by Charities" and under the historical cost convention and in accordance with applicable accounting standards in the United Kingdom.

#### **ACCOUNTING CONCEPT**

The company's basis of accounting is that income is recorded on the accruals basis. Expenditure is recorded on a cash basis but modified for certain items of accrued expenditure. The effect of not preparing financial statements fully on the accruals basis is not considered by the directors to be material.

#### **FRS 18**

The directors have reviewed the accounting policies and confirmed that they are the most applicable.

#### **DEPRECIATION**

Depreciation is provided on all tangible fixed assets at rates calculated to write each asset down to its estimated residual value evenly over its expected useful life, as follows:-

Motor vehicles	over 4 years
----------------	--------------

Assets with a cost below £5,000 are not capitalised.

#### **TURNOVER**

Turnover represents the amount billed for services provided. The directors consider that an analysis of the turnover by class of business and geographical area is not appropriate and any other breakdown would be prejudicial.

#### **CASH FLOW STATEMENT**

No cash flow statement has been prepared as the company meets the small company exemption limit as defined by s247 of the Companies Act 1985.

The costs of providing pensions is calculated using actuarial valuation methods which reflect the long-term costs of providing such pensions.

For defined benefit schemes the regular cost of providing for pensions is calculated so as to produce a substantially level percentage of the current and estimated future pensionable payroll; variations from the regular cost so calculated are allocated to the income and expenditure account over the average remaining service lives of employees.

The company has adopted the transitional arrangements of FRS17 "Retirement Benefits" for the year ended 31 December 2001. The disclosures required by this standard are shown in note 13.
